# HTML

A screenshot of a code editor window with a tab labeled 'index.html'. The editor displays a basic HTML document structure with 9 lines of code. The code is color-coded: opening and closing tags are in pink, and the content is in white. Line 4 is highlighted with a dark background. A vertical cursor is positioned at the end of the title tag on line 4.

```
1 <!DOCTYPE html>
2 <html>
3 <head>
4     <title></title>
5 </head>
6 <body>
7
8 </body>
9 </html>
```

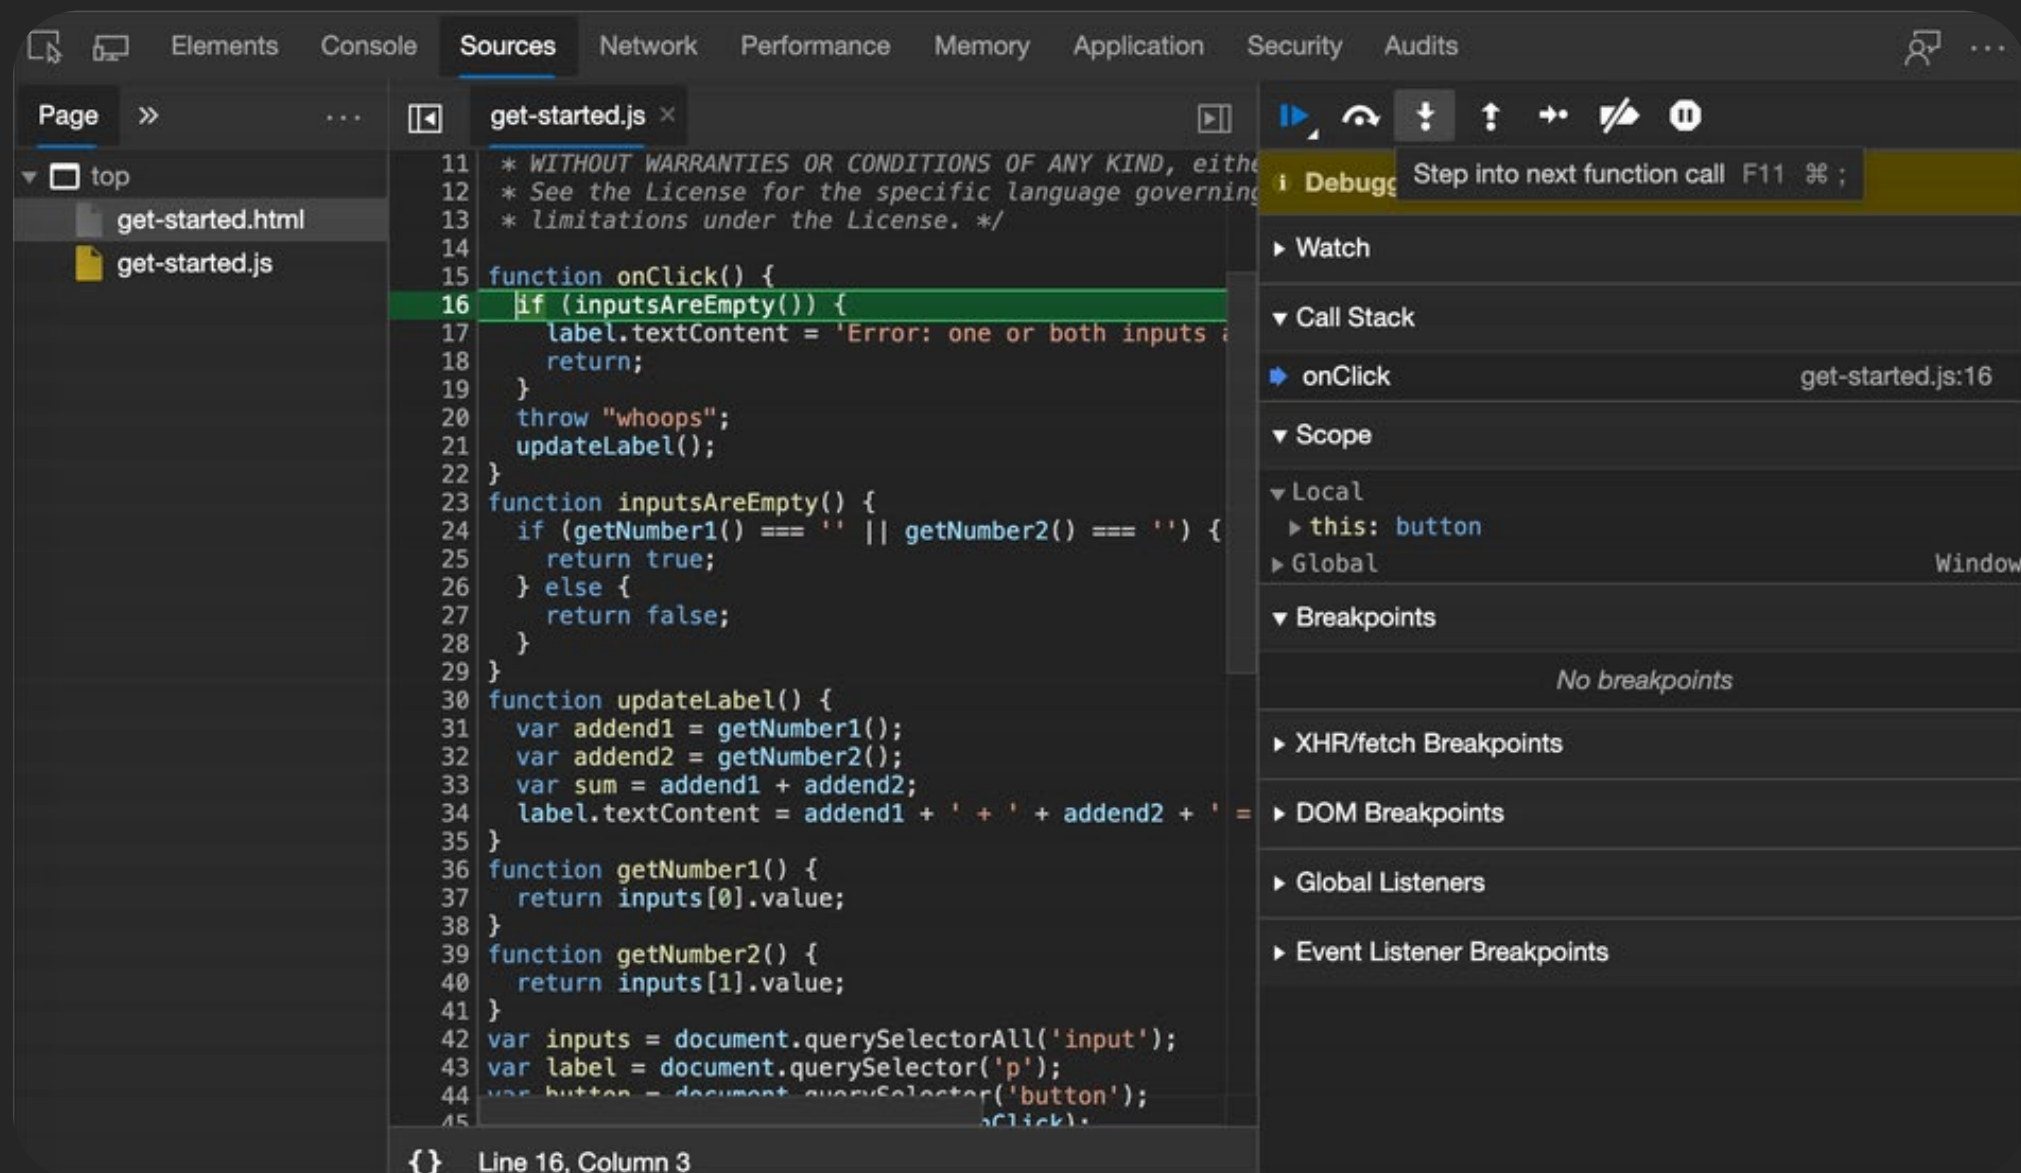

# CSS

```
button {
  --padding: 8px 10px;
  background: transparent;
  border-color: var(--color, var(--default));
  border-radius: 4px;
  border-width: 4px;
  color: var(--color, var(--default));
  cursor: pointer;
  outline: 0;
  padding: var(--padding);
  width: 100px;
}
button.custom {
  --padding: 16px 20px;
  font-size: 24px;
  width: auto;
  align-self: center;
}
button:hover {
  background: var(--color, var(--default));
  color: #fff;
}
```
